  - Dennis' Ski Council trip next year will be to Big Sky, Montana. February 13<sup>th</sup> – 20<sup>th</sup>. Dennis stated the details and contract are still being worked out. - **LODGE VP REPORT – Ray Owens**
  - The Lodge is closed indefinitely right now as everyone knows from Dennis' newsletter due to the Pandemic. Also, Vermont has some requirements if you go there from out of state. If you were to go up there right now you would have to quarantine for 14 days before you could do anything in Vermont. We also do not want to take a chance of taking reservations and having someone go up there and find out they had the virus and have to go through a sterilization process at the lodge.
  - The work weekend for June has been cancelled, we will determine later if there is another one later in the season.
- **SOCIAL VP REPORT – Betty Jean Downing**
  - BBQ's – Anderson Field is not sure they are going to be able to accommodate us for the June BBQ. Stay tuned for whether they can do July.

  - Beach Party – BJ said she is still on for the Union Beach - Beach Party. It will be August 8<sup>th</sup>.
  - Other things – BJ stated that hopefully by the time fall comes around we can do our fall events like LDEO and the Lighthouse Challenge.
